GENUINE READY-PAY PRICES

We were the first to introduce (in this section) with success the One Price. Low Profit, Ready Pay's stem and have always sold goods lower than any of our competitors. Many imitations of the genuine have espied our prices on a few stickes and held on for a faw weeks, then fizzied out, acknowledging to their customers that they could not sell goods at the rates we constantly held out. All the goods in the rates we constantly held out. All the goods into har a sold at low rates has not been as their own opinous at because we obliged them to do so. THE CELEBRATED HOLLAND REMEDY FOR DYSPEPSIA, DISEASE OF THE KIDNEYS

LIVER COMPLAINT, WEAKNESS OF ANY KIND FEVER AND AGUE, And the various affections consequent upon a disorner-

STOMACH OR LIVER Such as Indigestion, Acidity of the Stomach, Colicky Palin, Hearthurn, Loss of Appetite, Despendency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatle, and Neuralgic Affections, it has in numerous instances proved highly beneficiat, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Helland Professor, Roerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherhand scattered over the face of this duced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. It is now affered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardeat spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quicksming every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

READ CAREFULLY! The Genuine highly concentrated Borhave's Holland Bitters is put up in half-pint bottles only, and retailed at Oxe Bottan per bottle, or six bottles for Five Bottans. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.

ON ST. ANTHONY'S FIRE, and indeed the whole
class of complaints arising from Impurity of
THE BLOOD.

This compound will be found a great pro-moter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the time-ly expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to THE BLOOD. sores, through which the system will strive to rid itself of corruptions, if not assisted to do
this through the natural channels of the body
by an alterative medicine. Cleanse out the
vitiated blood whenever you find its impurities,
bursting through the skin in pimples, eruptions,
or sores; cleanse it when you find it is, obstructed and sluggish in the veins; cleanse it
whenever it is foul, and your feelings will tall
you when. Even where no particular dhorder
is felt, people enjoy batter health. rid itself of corruptions, if not assisted to do you when. Even where no particular is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with the pabulum of life disordered, there can be as

insting health. Sooner or later someth must go wrong, and the great machinery like a disordered or overthrown. Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug slone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla.

or any thing else. During late years the public have been mis-led by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsapa-rilla, but often no curative properties whatev-er. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intend-ed to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on

the bottle. PREPARED BY DR. J. C. AYER & CO. LOWELL, MASS.
